

CALL FOR SUBMISSIONS

Seeking new Manitoba Performers who have graduated from a performance training program between the years 2020-2022 to participate in WST's inaugural

Talent Bridge: A Manitoba Theatre Connections Symposium

Dates: September 12th-16th 2022

Successful candidates will participate in multiple **FREE** workshops led by **Winnipeg's Artistic Directors**, taught in their own venues. A tour of the venue will also be provided.

Kimberly Rampersad, Artistic Associate of the Shaw Festival Theatre will join us as a guest speaker and participate in a Q&A.

Ongoing monologue coachings will occur throughout the week with local directors, building to a final showcase for an invited audience of local professionals including our Artistic Directors as well as freelance directors, artists, and educators.

Following the showcase, WST will host a reception to facilitate networking opportunities, and a celebration of the week's work.

Priority will be given to those artists who have not yet had a chance to make a connection with our local Artistic Directors.

If there is a potential barrier that might prevent you from applying, we encourage you to let us know so we can work with you to find a solution.

All submissions are encouraged regardless of age, disability, ethno-cultural identity, gender, or any other basis.

SPACE IS LIMITED
